GREAT EASTON AND TILTY PARISH COUNCIL

Annual Governance and Accountability Return 2024/25 Form 3

**Explanation of the restatement of asset values in 2023/24 on AGAR section 2, box 9, Accounting Statements**

The parish council's asset register was checked and reviewed in preparation for the audit and a clerical error was discovered and corrected. An asset had been recorded twice. The duplication was removed, resulting in a reduction of £1 in the value to be provided on Form 3 section 2 box 9.
